GOALS

To create an interactive virtual environment for students and job seekers within our communities to learn about and connect with organizations/ businesses in the Indianapolis area. We wanted the platform to be engaging and informative, with live chat capabilities, as if the event was in-person.

PROJECT DETAILS

The Arts Council of Indianapolis wanted to highlight the 2019 Dehaan Artist of Distinction Award (DADA) winners with a series videos. The videos were filmed, produced and edited by our team and featured a short interview with the artist and visuals of their artwork. In addition to the video series, we also created a Matterport virtual tour of the DADA Exhibition at Gallery 924.
